

Kei-Sho Chronicle – April 2021

G'day everyone, I'm Llew. With the new school year beginning, it's time to restart Kei-Sho Chronicle. The Sakura bloomed early this year, and with them we welcomed a new school year. This edition will cover the Entrance Ceremony and the other events that started our year.

Entrance Ceremony:

On April 5th, Kei-Sho held our Entrance Ceremony, welcoming the newest members of Kei-Sho.

This Issue:

- Entrance Ceremony
- Start of a New Year at Kei-Sho

At the Entrance Ceremony, the new 1st year students were welcomed with applause and heartfelt speeches from the principal, as well as representatives from the PTA and current students.

Due to Covid-19, some parts of the ceremony were skipped, such as singing the school song and the performance by the school's band.

I would like to offer a warm welcome to the newest members of the Kei-Sho family!!

Start of a New Year at Kei-Sho

With the entrance ceremony completed and the new 1st year students formally welcomed to Kei-Sho, there was still a lot that needed to be done before school could start.

At the Opening Ceremony held on April 8th, the new students were greeted by the current students, with a speech from the student council president as well as flowers being handed to the new student's representative.

After the Opening Ceremony, on April 9th and 10th Kei-Sho held orientation days for both the new students and the current students. Helping the new students get familiar with their new school and telling the current students what to expect from the coming year. Presentations were also held to introduce students to the many different clubs that are run at Kei-Sho.

With the first 2 weeks of April filled with ceremonies and other events, it has been a busy period for the new students, current students, parents and of course teachers as well.

Let's all work together to make this year great!
