**This Issue:** Graduation Ceremony

The End of a Year

Hello everyone! March has begun, which means it's the end of another school year at Kei-Sho. March is a month of many events; the 3<sup>rd</sup> years graduate, the 1<sup>st</sup> and 2<sup>nd</sup> years have their final exams, and the new students who will come to Kei-Sho next year come for their final preparation.

### **February:**

In February, Kei-Sho went online and some events were cancelled due to Covid-19. As such, the annual Cultural Classroom was not held this year. I was really looking forward to this year's performance, so I am sad that it was cancelled, but the safety of the student's comes first.

In February, Kei-Sho also held the student council elections. This time the elections were held online, with the students voting from their classrooms, using their iPads. This year the election went very smoothly and our new student council have started in their roles.

## **Graduation Ceremony:**

On the 2<sup>nd</sup> of March, Kei-Sho held our Graduation Ceremony for our 3<sup>rd</sup> year students.

The ceremony was filled with heartfelt speeches from the principal and PTA, as well as personal messages from the graduating and continuing students. The ceremony was a lovely, and emotional event.

Afterwards, students took pictures with their class, and their friends, creating their final memories at Keika.

**I wish the graduating students the best in their future studies or careers!**

## **The End of a Year:**

The continuing students were not finished yet though. After the graduation ceremony, the 1<sup>st</sup> and 2<sup>nd</sup> year students started preparing for their final exams, and for moving on to the next grade. The students did their best at the tests and are prepared for their next year at Kei-Sho. **Good work everyone!**

Also in March, the new 1<sup>st</sup> year students visited the school to prepare their textbooks and uniforms. The new students received their Spring homework (how unfortunate), and after one last explanation, were prepared to begin their final preparations for coming to Kei-Sho next year.

**I hope everyone has a great Spring holiday, and I'm looking forward to meeting everyone next year!**
