January 2026

Start of Term 3

This Issue:
- **Start of Term 3**

2026 has begun, and so has the new term at Kei-Sho. Term 3 is the quietest term, and January is a quiet month. However, there are still some large events left in the year.

Start of Term 3:

Term 3 at Kei-Sho began, as always, with the Opening Ceremony on January 8th. Starting with a speech from the principal, followed by some words from the guidance officer, the Opening Ceremony proceeded smoothly.

January was also the last time that the 3rd grade students had classes. Students will still need to come to school for events or to complete assignments, but most of the 3rd grade students finished classes on January 10th. The next time we will see them will be at the Cultural Classroom in February.

There was also a school assembly on January 28th, although there were no 3rd grade students. The principal and guidance officer gave speeches, and one of the students received an award.

Term 3 has begun, and we are near the end of the school year. Don't give up yet, there's still a bit longer to go. I'll see you next month!
