

Kei-Sho Chronicle –

April 2026

A New School Year

This Issue:

- Entrance Ceremony
- Opening Ceremony

Welcome Back! Along with April, a New School Year has begun at Kei-Sho! It's good to see everyone again. April has proceeded as usual, with ceremonies and events that are typical to the start of the year. We have had the Entrance Ceremony, Opening Ceremony, Orientation and Club Introductions, among other things. Are you excited for the New School Year?

Entrance Ceremony:

On April 5, Kei-Sho held our Entrance Ceremony, where we welcomed 179 new students to our school. The day started with students arriving at school and finding out which class they are in. Students then went to their new classrooms and met their fellow students who they will be spending the next 3 years with. Students received instructions from their homeroom teachers, while their parents went to the hall to wait for the Ceremony to start.

The Ceremony started with the students entering to applause and a performance from the Keika Symphonic Band. After the students were introduced and officially accepted into the school, there were speeches from the principal, the PTA president, the new students and the welcoming students. The students' speeches were particularly moving.

The Ceremony ended with the students leaving the hall to more applause and another performance. They then went to take class pictures before going back to their homerooms to get to know their classmates.

I'm sure all of the parents are proud of their children, and I hope the students are excited about their next 3 years! What did you think about the Entrance Ceremony?

Opening Ceremony

Kei-Sho's Opening Ceremony was held on April 8 and also served as a welcome event for the 1st grade students as well. It started with them entering the hall to applause from the waiting 2nd and 3rd grade students. The student council president gave a welcome speech, before presenting the new students with flowers.

After the welcome, the students lined up for the Opening Ceremony. The Ceremony proceeded smoothly with speeches from the principal and guidance officer encouraging students to do their best for the New School Year. **With the Opening Ceremony over, school has now officially begun at Kei-Sho for the year Reiwa 8.**

There was also Orientation, Club Introductions, and the Student Assembly. April is a very busy month which passed by quickly. **It is hard to believe that we are already at Golden Week. We are 1/12 of the way through the year, and I hope you will follow along with the Kei-Sho Chronicle to see what is happening here at Kei-Sho. Let's have another good year together!** - Llew
